AGREEMENT

I understand that my information will be entered into the Carpool South East Texas' Ridematching Database and used to match me with potential carpoolers or provide me with other commuter related services. Carpool matches with others will be based on proximity to my home or work address and work schedule. I understand that others will receive similar information regarding my commute choice (excluding my street number) and may contact me to form a rideshare arrangement, and that my information will not be provided to outside marketing agencies. I acknowledge that participation in rideshare arrangement is an individual decision and that I am responsible for my operation or participation in a carpool or vanpool. I acknowledge that it is my responsibility for determining, from any names provided, the suitability of others to be in a rideshare arrangement with me, including but not limited to background, driving history, and roadworthiness of vehicles. The SETRPC, its contractors, or Carpool South East Texas shall have no responsibility or liability for any claims, expenses, or damages resulting from any individual's participation in a rideshare arrangement.
